To the Shareholders of YNH Property Bhd

Dear Sirs/Madam

- **PROPOSED SHARE BUY BACK**
- **PROPOSED SHAREHOLDERS' MANDATE**

1. INTRODUCTION

At the Fourteenth Annual General Meeting held on 30 June 2016, the Shareholders of the Company approved, inter alia, the Proposed Share Buy Back and Proposed Shareholders' Mandate. The Share Buy Back Authority from Shareholders and the said mandate shall, in accordance with the Main Listing Requirements, expire at the conclusion of the forthcoming AGM which will be held on 23 May 2017.

On 28 February 2017, the Board of Directors of the Company announced the following proposals:-

- Proposed Renewal of Share Buy Back Authority (Proposed Share Buy Back);
- Proposed Renewal of Shareholders' Mandate and New Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature (Proposed Shareholders' Mandate).

The purpose of this Circular is to provide you with the details of the Proposed Share Buy Back and Proposed Shareholders' Mandate and to seek your approval for the respective Ordinary Resolution No. 1 and Ordinary Resolution No. 2 to be tabled at the forthcoming AGM.

2. PROPOSED SHARE BUY BACK

2.1 Details of the Proposed Share Buy Back

Your Directors seek shareholders' approval to purchase up to ten per centum (10%) of the Company's issued and paid-up share capital subject to compliance with the provision of the Act, the Main Listing Requirements and/or any other relevant authorities. The actual number of Shares to be purchased, the total amount of funds to be utilized as well as the timing of the Proposed Share Buy Back will be dependent on the market conditions, sentiments at the Bursa Securities, the availability of the retained profits as well as the financial resources available to YNHP Group.

All Shares to be bought back by the Company may be retained as Treasury Shares of the Company or cancelled upon purchase or a combination of both. In the event that the shares to be bought back by the Company are retained as Treasury Shares, the Company may distribute the Treasury Shares as dividend to the shareholders of YNHP or resell the Treasury Shares on the Bursa Securities. The decision of the Board on the above options will be made at appropriate time.

The authorization for the Proposed Share Buy Back will be effective immediately upon the passing of the Ordinary Resolution No. 1 at the forthcoming AGM until the earlier of:-

- (i) the conclusion of the next AGM of the Company at which time the authority shall lapse unless by ordinary resolution passed at a general meeting, the authority is renewed either unconditionally or subject to conditions;
- (ii) the expiration of the period within which the next AGM after that date is required by law to be held; and
- (iii) revoked or varied by ordinary resolution of the shareholders of the Company at a general meeting.

The maximum amount of funds to be allocated for the Proposed Share Buy Back will be subject to the Retained Profits of the Company. The Proposed Share Buy Back will be funded from internally generated funds and/or bank borrowings. As at 31 December 2016, the audited Retained Profits of the Company was RM42,850,925.

The Proposed Share Buy Back is likely to reduce the working capital and cash flow of the Company, the quantum of which depends on the purchase price and the actual number of Shares purchased. However, it is not expected to have a material effect on the working capital and cash flow of its subsidiaries.

The Proposed Share Buy Back shall be executed at purchase prices not exceeding 15% above the weighted average market price of the Shares for the previous five (5) Market Days immediately prior to the purchase. The Treasury Shares arising from the Proposed Share Buy Back shall be resold at prices not less than the weighted average market price of the Shares for the previous five (5) Market Days immediately prior to the resale.

The Treasury Shares so bought back pursuant to Proposed Share Buy Back shall not be entitled to any of the right attached to the existing Shares of the Company as to voting, dividends and participation in other distribution and otherwise are suspended.

The aforesaid Treasury Shares shall not be taken into account in calculating the number or percentage of Shares or of a class of shares in the Company for any purpose including, without limiting the generality of this provision, the provisions of any law or requirement of the Articles of Association of the Company or the Main Market Listing Requirements on substantial shareholdings, takeover, notices, the requisitioning of meetings, the quorum for a meeting and the results of a vote on a resolution at a meeting.

2.2 Rationale and Advantage for the Proposed Share Buy Back

The Proposed Share Buy Back if exercised, is expected to potentially benefit the Company and its shareholders as follows:

- The Company would expect to enhance the EPS of the Group (in the case where the Directors resolve to cancel the Shares so purchased and/or retain the Shares in treasury and the Treasury Shares are not subsequently resold) as the Shares purchased are not taken into account when calculating the number of shares in the Company. The increase in EPS, if any, arising from the Proposed Share Buy Back may have a positive effect on the market price of the Company's Shares. Therefore, long term and genuine investors are expected to enjoy a corresponding increase in the value of their investments in the Company;
- If the Shares bought back are kept as Treasury Shares, it will give the Directors an option to sell the Shares so purchased at a higher price and therefore make an exceptional gain for the Company. Alternatively, the Shares so purchased can be distributed as share dividend to shareholders; and

- The Company may be able to reduce any unwarranted volatility of its Shares and assist to stabilize the supply, demand and price of its Shares in the open market and thereby supporting its fundamental value of its Shares.

The Proposed Share Buy Back is not expected to have any potential material disadvantage to the Company and its shareholders as it will be exercised only after in-depth consideration of the financial resources of the YNHP Group and of the resultant impact on its shareholders. The Directors in exercising any decision on the Proposed Share Buy Back will be mindful of the interest of the Company and its shareholders.

2.3 Potential Disadvantage of the Proposed Share Buy Back

The Proposed Share Buy Back will, however temporarily reduce the financial resources of the Group and consequently, may result in the Group foregoing better investment opportunities that may emerge in the future. It may also result in a lower amount of cash reserves available for dividends to be declared to shareholders as funds are utilized to purchase Shares. In the light of the abovementioned, the Board will consider the interest of the Company and also the interest of the shareholders when undertaking the Proposed Share Buy Back.

However, the disadvantage is mitigated by the prospect that the financial resources of the Group may increase, if the purchased Shares held as Treasury Shares are resold at prices higher than their purchase price.

2.4 Effects of the Proposed Share Buy Back

(i) Share Capital

The Proposed Share Buy Back will have no effect on the issued and paid-up share capital of the Company if the Shares to be bought back by the Company are retained as Treasury Shares or re-sell in the open market.

For illustration purposes and assuming ten per centum (10%) of the issued and paid-up share capital of the Company as at 31 March 2017, are purchased and entirely cancelled, the Proposed Share Buy Back will have the following effects on the share capital of the Company:-

	No. of Shares	RM
Issued Capital as at 31 March 2017	528,999,579	528,999,579
Less: Number of shares to be cancelled pursuant to the Proposed Share Buy Back	52,899,958	52,899,958
Issued Capital upon completion of the Proposed Share Buy Back	476,099,621	476,099,621

(ii) NA

The Proposed Share Buy Back may increase or decrease the NA per share of the Company depending on the purchase price in comparison to the NA per share of the Company at the time that the purchase is made.

However, it is likely that the Proposed Share Buy Back will reduce the working capital of the Company, with the quantum depending on the purchase prices of the Company's Shares and the actual number of shares bought back.

(iii) EPS

Depending on the number of Shares purchased and the purchase prices of the Shares, the Proposed Share Buy Back may increase the earnings per share of the Company. Similarly, on the assumption that the Shares so purchased are treated as Treasury Shares, the extent of the effect on earnings of the Company will depend on the actual selling prices, the number of Treasury Shares resold and the effective gain or interest savings arising.

2.5 Directors' and Major Shareholders' Shareholdings

Based on the Register of Directors' Shareholdings and the Register of Major Shareholders as at 31 March 2017, the number of Shares held by the Directors and Major Shareholders of the Company respectively are as follows:-

	Based on Issued Capital as at 31 March 2017 of 525,337,988 Shares (after excluding 3,661,591 Treasury Shares)				Based on Pro-forma Issued Capital as at 31 March 2017 of 476,099,621 (after excluding 52,899,958 Shares being cancelled) upon completion of Proposed Shares Buy Back

The Proposed Shareholders' Mandate, if approved by the Company's shareholders at the forthcoming AGM, will continue to be in force until:

- (i) the conclusion of the next AGM of YNHP to be held in the year 2018, whereby which time it will lapse, unless by a resolution passed at the general meeting, the mandate is renewed;
- (ii) the expiration of the period within which the next AGM after the date is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or

* New Recurrent Transaction which will be covered in the Proposed New Shareholders' Mandate.

^ Tenancies are for terms not exceeding 3 years with rentals payable on monthly basis.

None of the Actual Value of the Transactions has exceeded the Estimated Value by 10% or more

The Recurrent Related Party Transaction in respect of the Sales of Property are subject to the percentage ratio not exceeding 10% as per paragraph 3.3 (a), Practice Note 12.

3.3 Amounts due and owing by Related Parties

As at end of financial year ended 31 December 2016, there is no amount due and owing by the related party to YNHP Group under the Recurrent Related Party Transactions which have exceeded the credit term.

3.4 Rationale and Benefits for the Proposed Shareholders' Mandate

The Recurrent Related Party Transactions entered or to be entered into by YNHP Group are all in the ordinary course of business. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions and it may be impractical to seek shareholders' approval on a case to case basis before entering into such Recurrent Related Party Transactions. As such, the Board is seeking shareholders' mandate pursuant to Paragraph 10.09 of Bursa Malaysia Main Market Listing Requirements for the Recurrent Related Party Transactions described above to allow YNHP Group to enter into such recurrent transactions. The Proposed Shareholders' Mandate would also reduce substantial administrative time, inconvenience and expenses of having to frequently convene a separate general meeting for approval of each transaction while still maintaining the objective of keeping shareholders informed of the extent of Recurrent Related Party Transactions occurring within YNHP Group.

YNHP Group have a long standing business relationship with the related parties. The Board of YNHP is of the view that the close co-operation and strong working relationship that exist between YNHP Group and various related parties have over the years enabled YNHP Group to benefit from better service and attention that may not otherwise be derived from third parties. These close relationships have allowed for better control of supplies, quality and timeliness of completion of work done or services rendered.

3.5 Review Procedures for the Recurrent Transactions

To ensure that such Recurrent Related Party Transactions are conducted at arm's length and on normal commercial terms consistent with the YNHP Group's usual business practices and policies and on terms not more favourable to the related party than those generally available to the public and are not to the detriment of the minority shareholders, the management of YNHP will ensure that the transactions with the related party will only be entered into after taking into consideration the pricing, level of service and quality of product.

The review and disclosure procedures shall include the following:-

- (i) the Related Parties, interested directors and persons connected will be advised that they are subject to the shareholders' mandate and will also be advised of the review and disclosure procedures;
- (ii) records of Recurrent Related Party Transactions will be made available by the management of YNHP to the external auditors, internal auditors and Audit Committee for their review;
- (iii) the external auditors of YNHP Group will review Recurrent Related Party Transactions of a revenue or trading nature as part of the audit programme and report their findings to the Audit Committee;
- (iv) the internal auditors of the YNHP Group will review Recurrent Related Party Transactions of a revenue and trading nature as part of the internal audit programme;
- (v) the management of YNHP will ensure that the Recurrent Related Party Transactions are only entered into after taking into consideration the pricing and level of quality and services rendered. The transaction prices, terms and conditions shall be determined by market forces under similar commercial terms for transactions with third parties;

- (vi) the Audit Committee will review the Recurrent Related Party Transactions and provide a statement that it has reviewed and is satisfied with the review procedures to the extent that the procedures are relevant and sufficient to ensure that such Recurrent Related Party Transactions will be carried out at arm's length and on normal commercial terms which are no more favourable to the Related Party than those generally available to the public and will not be prejudicial to the shareholders;
- (vii) where any director has an interest (direct or indirect) in any Recurrent Related Party Transactions, such director (or his alternate) shall abstain from voting on the matter. Where any member of the Audit Committee is interested in any transaction, that member shall abstain from voting on any matter relating to any decisions to be taken by the Audit Committee with respect to such transactions;
- (viii) disclosure will be made in the annual report of the Company of the aggregate value of transactions conducted pursuant to the Proposed Shareholders' Mandate during the financial year. Disclosure will also be made in the annual reports for the subsequent financial years during which the shareholders' mandate remains in force;
- (ix) at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where quotations or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be reviewed by the YNHP Group to ensure that the Recurrent Related Party Transaction is not detrimental to the Group; and
- (x) there are no thresholds for approval of Recurrent Related Party Transactions as all the transactions will be reviewed and approved by executive directors and/or senior management.

3.6 Statement by Audit Committee

The Audit Committee has the overall responsibility of determining whether the procedures for reviewing all Recurrent Related Party Transactions are appropriate. The Audit Committee also has the authority to delegate this responsibility to such individuals within the Company as it shall deem fit. The Audit Committee will review and ascertain whether the procedures established to monitor Recurrent Related Party Transactions have been complied with at least once a year. If it is determined that the procedures stated in Section 3.5 are inadequate to ensure that (i) the Recurrent Related Party Transactions will be conducted at arm's length and on normal commercial terms and (ii) such transactions are not prejudicial to the interest of the shareholders, the Company will obtain a fresh shareholders' mandate based on the new procedures.

The Audit Committee shall also have the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such a request to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.

The Audit Committee of the Company has reviewed the terms of the Proposed Shareholders' Mandate and is satisfied that the procedures for Recurrent Related Party Transactions, as well as the annual reviews by the Audit Committee in relation thereto, are sufficient to ensure that Recurrent Related Party Transactions will be made at arm's length and in accordance with YNHP Group's normal commercial terms, not more favourable to the related parties than those generally available to the public and hence, will not be detrimental to the minority shareholders or disadvantageous to YNHP.

The YNHP Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner, and such procedures and processes are reviewed on a yearly basis or whenever the need arises.
