## **NOTES TO THE INTERIM FINANCIAL STATEMENTS - 31 MARCH 2026**

### **1. BASIS OF PREPARATION**

The quarterly condensed financial report has been prepared in accordance with:

- (i) The requirement of the Malaysian Financial Reporting Standards ("MFRS") Standard 134: Interim Financial Reporting; and
- (ii) Paragraph 9.22 of the Listing Requirements of the Bursa Malaysia Securities Berhad and should be read in conjunction with the audited annual financial statements for the year ended 30 June 2025 and the accompanying explanatory notes attached to the quarterly condensed financial report. These explanatory notes attached to the quarterly condensed financial report provide an explanation of events and transactions that are significant to the understanding of the changes in the financial position and performance of the Group since the year ended 30 June 2025. The significant accounting policies adopted for the quarterly condensed financial report are consistent with those of the audited financial statements for the financial year ended 30 June 2025.

### **2. AUDITORS' REPORT ON PRECEDING ANNUAL FINANCIAL STATEMENTS**

The auditors' report on the financial statements for the year ended 30 June 2025 was qualified.

As at 30 June 2025, inventories and other receivables included consideration paid in prior years for joint venture ("JV") and turnkey construction agreement ("TCA") entered into with various joint venture parties or landowners for property development works. The cumulative consideration paid in respect of these contracts amounted to RM1,033,327,470 and RM66,883,000, respectively. The related carrying amounts recorded as at 30 June 2025 were RM1,061,138,049 within inventories and RM62,478,952 within other receivables. These land costs are subject to agreed entitlements set out in the relevant contracts with the joint venture parties or landowners.

During the current financial year ended 30 June 2025, the regulatory authorities' investigations in relation to these JV and TCA entered into by the Group for property development works with joint venture parties or landowners remained ongoing, and the timing and outcome of their resolution cannot presently be determined.

A special independent review, commissioned by the Group to assess potential related party involvement and compliance with applicable laws and regulations, was completed during the current financial year. However, auditors were uncertain as to whether there was any related party involvement and, if so, whether such contracts were executed with economic substance.

Because of these uncertainties, and the potential resulting impacts on the carrying amounts and related disclosures of the aforementioned inventories and other receivables, auditors were unable to obtain sufficient appropriate audit evidence to determine the possible consequential effects, if any, on the valuation and related disclosures of these balances in the Group's financial statements.
